Handbook of Experimental Pharmacology (journal)

Journal abbreviation: Handbook of experimental pharmacology The abbreviation of the journal title " Handbook of experimental pharmacology " is " HandB.

Handbook of experimental pharmacology abbreviation ISO ...

A common property of all cannabinoid receptor agonists and antagonists currently used as experimental tools is one of high lipophilicity and low or negligible water solubility. This necessitates the use of a vehicle such as dimethyl sulphoxide, Tween780 or ethanol, which may itself produce pharmacological changes or influence the free concentration of a cannabinoid at its site of action.
