It describes the ultimate healing possible for the human soul: an awakening to our true nature that makes our former life seem as if we have been asleep. Kabbalistic Healing is about the process of unification, of joining with reality, and the implications of that process for daily life. It draws upon the author's work at A Society of Souls, which promotes the belief that the ultimate form of healing is to create a unitive or nondual state of consciousness, integrating the healthy human ...
