A Joint Life Second Death Whole of Life Plan is set up so that it pays out on the second death - and being a whole of life plan, it pays out whenever they die as long as the premiums have been paid. This type of policy is often used to pay for potential Inheritance Tax liabilities. We would always recommend that this type of Whole of Life policy be placed in trust so that it doesn't form part of your estate and can be paid to the relevant beneficiaries promptly.

Joint Life Second Death Insurance

Life Insurance is a type of insurance policy that can help minimise the financial impact that your death could have on your loved ones. If you die or if you're diagnosed with a terminal illness with a life expectancy of less than 12 months, during the length of the policy, it could pay out a cash sum.
