US Military Deployment and Its Effects on South Korea ' s ...

Over a decade of war has left its mark on U.S. military service members. Since the onset of military operations in Iraq and Afghanistan, over 1.8 million service members have been deployed overseas, often multiple times, and combat deployments have been more frequent and longer than prior deployments. Since most service members are married, and a majority of those couples have children, the potential negative impact of combat deployments goes beyond the individual service member.
