~~Montessori's Message of Peace Through Education ...~~

Peace education was critical for her because she lived during the time when the first nuclear bomb was dropped. When Dr. Montessori was alive, all the inhabitants of the earth had this collective experience of facing their mortality at the same time. They realized that we now have a technology that we can use to destroy ourselves within minutes.

~~Peace Education: the Montessori Way — The Barefoot Mommy~~

Take a look at our free online course - Education for Peace. This course is the starting point for those who are interested in Maria Montessori's belief in, and approach to social change. In it, Peace Education will be examined both as a concept and in reality, with examples and suggestions of how it can be promoted and developed with all ages of children.

~~Montessori and Peace — Montessori Centre International~~

Montessori believed education was the most powerful and universal way through which to reconstruct society; a way to transition from war to peace. Therefore, it is necessary to think of education as peace, not education for peace. While the curriculum teaches about peace, it cannot by itself result in peace.

Peace education is something Dr. Montessori took seriously in her writing and in her lessons. Peace is found on three levels in the Montessori early childhood classroom: Global, Classroom, and Inner. Integrate Montessori Peace Education Simply & Easily

~~Montessori Peace Education for the Home & Classroom~~

Maria Montessori (1870-1952) is most often remembered for her contributions to the education of young children. However, she is also considered by many to be a founder of peace education. She believed that the root of peace lay in the education we give our children.

~~Maria Montessori on Peace — Teach Peace Now~~
Montessori strongly believed that the path to peace lies in the education we give to our children. Dr. Montessori met Mahatma Gandhi in London in 1931. While living in India during World War II, Montessori and Gandhi corresponded through letters. "Establishing lasting peace is the work of education," Montessori wrote to Gandhi. Through Gandhi's interactions with Montessori schools he understood the wisdom of the Montessori method.

Education and Peace \$ 14.00 This collection of speeches, delivered by Dr. Montessori at international congresses and peace councils, vividly reveals her profound concern with the question of peace. In her crusade for peace she claims: Establishing a lasting peace is the work of education all politics can do is keep us out of war.

~~Education and Peace | Association Montessori International USA~~

Preventing conflicts is the work of politics; establishing peace is the work of education. She received a total of six nominations for the Nobel Peace Prize in a three-year period: 1949, 1950, and 1951.: 360. Elementary Montessori peace curriculum starts with Five Great Lessons that give a big picture of the world and life.

~~Montessori education — Wikipedia~~

At The Gower School, in Islington, a popular Montessori taking children from nursery to age 11, the teacher sitting at the 'peace table' tells a contrite-looking five-year-old, 'James is sad because you snatched his toy, Sarah.' She hands the child a flower from the peace table. 'I'm sorry James,' says Sarah.
