A Rational Expectations Approach to Macroeconometrics: Testing Policy Ineffectiveness and Efficient-Markets Models. Frederic S. Mishkin. Published in 1983 by University of Chicago Press. © 1983 by the National Bureau of Economic Research. NBER Program(s):IFM, ME, EFG.

[A Rational Expectations Approach to Macroeconometrics ...](#)

A Rational Expectations Approach to Macroeconometrics pursues a rational expectations approach to the estimation of a class of models widely discussed in the macroeconomics and finance literature: those which emphasize the effects from unanticipated, rather than anticipated, movements in variables. In this volume, Fredrick S. Mishkin first theoretically develops and discusses a unified econometric treatment of these models and then shows how to estimate them with an annotated computer program.
