merging reflection with underpinning theory and evidence from research.

Bolton with Delderfield: Reflective Practice | Online ...
Both learners and practitioners alike need to make an effort to keep up to date with new developments. Reflective practice done well, is an easy and effective way to do this. It's a concept that, as Jootun and McGarry (2014) notes, has been well documented as a strategy for personal and professional growth since the 1980s, and it's here to stay.
