Math journals support students' learning because, in order to get their ideas on paper, children must organize, clarify, and reflect on their thinking. Initially many students will need support and encouragement in order to communicate their ideas and thinking clearly on paper but, as with any skill, the more they practice the easier it will ...

Everyday Mathematics Journal Revisions: Grade 5 Volume 2 This document lists the revisions made to the Everyday Mathematics Journal (version 2007 to version 2012 CCSS). A helpful tip would be to place a sticky in the Teacher Resource Guide on the lesson where you will find a change in the student journal.

**Everyday Mathematics Journal Revisions: Grade 5 Volume 2**

Everyday Mathematics is divided into Units, which are divided into Lessons. In the upper-left corner of the Study Link, you should see an icon like this: The Unit number is the first number you see in the icon, and the Lesson number is the second number. In this case, the student is working in Unit 5, Lesson 4.
