The Book of Gates is an ancient Egyptian funerary text dating from the New Kingdom. It narrates the passage of a newly deceased soul into the next world, corresponding to the journey of the sun through the underworld during the hours of the night. The soul is required to pass through a series of 'gates' at different stages in the journey.

The Book of Trespass takes us on a journey over the walls of England, into the thousands of square miles of rivers, woodland, lakes and meadows that are blocked from public access. By trespassing the land of the media magnates, Lords, politicians and private corporations that own England, Nick Hayes argues that the root of social inequality is the uneven distribution of land.

~~The Book of Trespass by Nick Hayes | Waterstones~~

This affirms that the city gate was central to community action. Another important example is found in the book of Ruth. In Ruth 4:1-11, Boaz officially claimed the position of kinsman-redeemer by meeting with the city elders at the gate of Bethlehem. There, the legal matters related to his marriage to Ruth were settled.

Author An immersive blockbuster from the master of ancient historical fiction, The Gates of Athens explores the iconic conflict between Athens and Sparta for dominion over Ancient Greece. Packed with action set-pieces and authentic recreation, this is Iggulden at his most assured and accomplished.

~~The Gates of Athens by Conn Iggulden | Waterstones~~

The book explores how societies react during moments of crisis. He uses a series of fascinating case studies to show how nations managed existential challenges like civil war, foreign threats, and general malaise. It sounds a bit depressing, but I finished the book even more optimistic about our ability to solve problems than I started.
